COVID Safety Mitigation Plan Summary

Please note that this is NOT a complete review of the mitigation measures taken by Wrangell Parks and Recreation, but rather a summary of requirements and actions to mitigate the spread of COVID.

1. Staff self-screen for COVID symptoms at the start of each shift. If staff show signs or symptoms of illness prior to their shift they are required to stay home.
2. Patrons are screened for COVID symptoms upon entry and asked about their prior travel history.
3. Any persons showing signs of illness will not be permitted to use the facility. Symptomatic persons will not be permitted to return to activities or work until 72 hours after the symptoms have subsided.
4. Visitors and employees who have symptoms consistent with COVID19 will be encouraged to contact their health care provider.
5. If a patron tests positive for COVID19 the facility will automatically shut down for 72 hours.
6. If an employee who has been actively working at the facility tests positive for COVID19 the facility will automatically shut down for 10 days.
7. Staff are required to maintain a log of each patron that visits the facility to enable contact tracing.
8. Masks are required throughout the facility, except when patrons and staff are in the water or at their individual workout station.
9. Capacity is limited in each area of the facility. Reservations are strongly recommended to ensure that space is available upon arrival.
10. Social distancing of 6 ft. or more is strongly encouraged wherever possible.
11. Gathering in the lobby is strictly prohibited.
12. Employees are not permitted to congregate in the office unless they are conducting official business.
13. Use of the locker rooms is strongly discouraged unless patrons are utilizing the swimming pool.
14. The racquetball court is open by reservation only. Wallyball equipment is available for use with a 6-person maximum.
15. The cardio equipment area in the lobby is limited to a maximum of 4 persons.
16. The cardio equipment in the pool area is limited to a maximum of 3 persons.
17. The weight room is limited to a maximum of 2 persons.
18. The swimming pool is limited to a maximum of 10 persons for lap swim and exercise classes. Up to 14 people may be in the pool when the kids pool is in use.
19. Patrons may share a lane with a household member or someone within their social bubble, otherwise lanes will be limited to 1 person per lane.
20. The swimming pool is limited to a maximum of 20 persons for open swims.
21. Disinfection supplies are on hand for regular sanitation of touch points.
22. Patrons are required to disinfect workout equipment before and after use.
23. The swimming pool deck and other communal spaces shall be sanitized daily.
24. Facility reservations are permitted. A member of the rental party must be designated to ensure mitigation measures are met. There are maximum capacity limits for outdoor and indoor events. Rental equipment is limited. If food is being served, it must be served (no buffet) at tables with spaced seating.
